

# Ridgefield Downtown/Waterfront Integration Project

The City of Ridgefield — with the Port of Ridgefield — is working to develop a unified vision and planning strategy to guide future downtown revitalization and waterfront development. Community feedback, perspective, and insight are essential to this planning process. Your participation is key to developing sound and effective action steps for an integrated downtown/waterfront plan.

Review Town Hall Meeting materials and other project information at:

[www.ci.ridgefield.wa.us/news/downtown\\_waterfront.htm](http://www.ci.ridgefield.wa.us/news/downtown_waterfront.htm)

Please complete this questionnaire and leave it in one of the comment boxes conveniently located at:

City Hall — Ridgefield Community Library — Seasons Coffee Shop — Starliner Food Mart

## Community Questionnaire

---

---

---

---

---

---

---

---

**2. What do you like about the Economic Strategies?**

---

---

---

---

---

---

---

---

**3. How can the Economic Strategies be improved?**

---

---

---

---

---

---

---

---

*(over, please)*

**PLEASE RETURN YOUR COMMENTS BY WEDNESDAY, JUNE 30.**

**4. Do you have a preference for one of the two strategies?**

---

---

---

---

---

---

---

---

**5. Are the prioritization criteria reasonable and logical?**

---

---

---

---

---

---

---

---

**6. Does the prioritization align with the vision and objectives?**

---

---

---

---

---

---

---

---

**7. In your opinion, will the projects identified as priorities lead us to achieving the vision?**

---

---

---

---

---

---

---

---
