

Accent Eye Care Partners to Collect Eyeglasses for the Less Fortunate

Accent Eye Care is working to collect used eyeglasses for the less fortunate. The goal of the program is to collect 150 pairs of eyeglasses through the months of November, December, and January. Your donation will help a child see the blackboard or a senior citizen read a medicine bottle.

To participate in the Share the Sight Program, drop off eyeglasses you no longer wear at Accent Eye Care, located at 2 South 56th Place Suite 205 directly above the IQ Credit Union at the I-5 exit #14 Ridgefield Junction anytime between 10:00am - 5:00pm Monday - Friday. These glasses will be forwarded to Lions International.
